## Faced With Deficit For The Current Year Generous Friends Needed

The Northfield Schools are faced with an unprecedented deficit for the fiscal year ending June 30th. Drastic cuts have been made in the budget and every item of expense has been slashed with the exception of help to students. But in spite of a \$50,000 saving in expenses, in spite of the generosity of more than 2300 friends who have helped this year, there is a deficit of \$40,000.

This official statement is made in regard to the financial situation of the Northfield Schools. Friends everywhere are appealed to consider the needs of the schools and to be as generous as possible in their gifts if all obligations are to be met and the year closed free of debt.

The work of the Northfield Schools was never more necessary than it is today. Competition for livelihood is especially severe at the bottom of the ladder. This year 1097 girls and boys at the Northfield Schools were enabled to take a long step toward more useful lives.

### "Adorable"

"Adorable" the new Fox film with Janet Gaynor and Henry Garat is certainly the most hauntingly romantic picture ever made. It has a story that fairly breathes happiness in every one of its details. Its music has all the qualities of refreshing accompaniment.

This picture will be shown at the Latchis Theatre, Brattleboro, Vermont Monday, Tuesday and Wednesday, June 5-6-7.

Janet Gaynor has found the perfect complement for her abilities in Henry Garat, the European player who makes his American picture debut in "Adorable." Together, as they unfold the story "Adorable" is a picture that will be remembered for its charm and its wholesomeness. It is certainly a picture to be seen.

Arrangements are being made to seat a large number of students from Northfield who expect to attend on Monday afternoon. This picture is an "approved" production.

## Progress Made Here Spencer Is Commended For Realty Improvement

The property recently purchased by Mr. Ross L. Spencer on Main street between his garage and the home of Dr. Wright now presents a very attractive appearance with the many improvements made and the new coat of paint. This property or rather the land in this area figures in the third settlement made in Northfield and was part of lot No. 16 of Jacob Root and was 20 rods wide. On June 24, 1717 Jacob Root then of Hebron, Conn., sells his home lot and 30 acres of meadow to Eleazar Wright of Northampton. June 15, 1725 Lt. Wright exchanges this for the Joseph Root lot with Jona Belding, who held it during his life. After 1798 4 1/2 acres of the north part was sold to James Darling, who sold it to Timothy Dutton and the same became the homestead of Deacon Samuel W. Dutton who built the present house in 1835.

The Second Congregational Society acquired land at the northwest corner of the Dutton lot and built a meeting house in 1829. This was remodeled in 1849 and was later destroyed by fire. This building stood on the present site of Spencer Bros. Garage.

The Dutton house remained for many years in the family and recently purchased by Mr. Spencer was extensively remodeled and many unsightly features about the grounds were removed. Today it presents an attractive appearance and becomes again one of the fine homes in Northfield. Mr. Spencer believes in the march of progress for Northfield and his efforts are commendable in this improvement of property which has now again led to a sale to Mr. Norman Nims of Yonkers, N. Y., who will occupy for residence.

### High Vs. New Salem

Northfield defeated the New Salem baseball nine, 13-7, last Wednesday. Clayton Glasier, pitching for the first time, struck out fourteen opponents.

In a game with Turners Falls on May 26, Northfield was beaten in another close contest, 6-5.

## Twice A Great Show Our Folk Made Success Of Hospital Benefit

Anticipations were more than realized at the entertainment given in the Auditorium last Saturday evening for the benefit of Brattleboro Memorial Hospital. An audience of over a thousand was present. Townspeople were out in force, knowing something of the efforts that were made by those participating in the play. The Seminary was fully represented, and a goodly number of Hermon students braved the rain to be present. Miss Briggs and a large part of her staff at Brattleboro Hospital drove down, besides a large contingent of other Brattleboro friends.

The platform had been enlarged and presented the appearance of a cottage antique shop. Numerous objects were loaned by local friends for the occasion. The background of the platform was covered by quilts and shawls of great value.

There were tables and chairs over a century old. A wooden rocking cradle, like many another of the pieces, could tell an interesting story. Candles were used for illumination. A fire burned cheerily in the center fireplace.

On the floor level in front of the platform was a spacious old-fashioned garden. Mr. Harry Holton of Mount Hermon was landscape gardener, and his work was greatly admired. A background of hemlock and laurel was brightened by masses of bleeding heart, wild azalea, Indian slippers (including yellow ones), and other wild flowers had gathered in the ravines and glens in the hills. White and purple lilacs, and other flowers gathered from bulbs and shrubs just now in bloom, completed the picture.

Part 1 of the evening's program was a concert by the Mount Hermon Glee Club, consisting of 24 students under the direction of Prof. Irving J. Lawrence and accompanied by Carlton L'Honmiedu at the piano. The club sang six numbers in all, and a quartet one piece, all of which were warmly applauded. Prof. Lawrence was in fine voice and rendered two tenor solos. He responded to an encore with a third solo. The audience showed their appreciation of Prof. Lawrence by giving him the only encore in the play that followed.

The concert program was as follows:—

"To the Field! To the Hunt!" Buck, "Old King Cole" Forsyth, Glee Club; "What the Chimney Sang," Parks, Quartet; "Deep River" Negro Spiritual, "More and More" Seifert, Glee Club; "Kashmir Song" Woodforde - Finden, "From the Land of the Sky-blue Waters" Cadman, Irving J. Lawrence; "Cowboys' Bliss" "The Wise Old Owl" Nevins, Glee Club.

The second part of the program was a playlet entitled "In An Antique Shoppe," written by Ethel Hawthorne Tewksbury of Andover Mass. Over 30 local people appeared in the 13 episodes that comprised the plot. All but six of them used dresses handed down from their own or local ancestors, so that unusual interest attached to this aspect of the performance, and gave many in the audience a sense of helping toward the success of the effort.

Music was agreeably prominent throughout the entertainment. Mr. Leon H. Dunnell at the piano had prepared a program of music to suit the various episodes of the play. He had also brought a couple of ancient spinnets, which he used on occasion instead of the grand piano.

Mr. Dunnell was supported by Mrs. Elliott Speer and Miss Mira B. Wilson on violins.

The following were among the musical numbers given:—

"Long, Long Ago," Bayly; "The Spinning Song," Bjorkman; "Rock-a-bye, Baby," "Ben Bolt," Kneass; "Minuet," Mozart; "Minuet," Beethoven; "Mitscham," "America the Beautiful," "Home, Sweet Home," Bishop; "Lead, Kindly Light," Dykes; "Love's Old Sweet Song," Molloy.

Mrs. Mildred Vorce Addison sang "The Cradle Song" and "The Revolutionary Tea Song" for two of the episodes, and Mrs. Harry J. Foley "The Old Arm Chair" and "Aunt Dinah's Quilting Party." In the course of their own parts Miss Arline V. Prevost sang the "Spinning Song," and Miss Dorothy E. Pearson and Prof. Irving J. Lawrence a duet, "Love's Old, Sweet Song."

The play opened with the singing of a verse of "Auld Lang Syne" by the audience.

This entertainment will be remembered as a whole for its dainty beauty. The old-fashioned dresses may look cumbersome and awkward in modern eyes, but they have charm and dignity that captivate one's admiration. Sentiment ran strong throughout the performance, and many have con-

## Salvation Army Appeal Made In Northfield

The Salvation Army appeal for \$500 from Northfield residents began this week and the results to date have been encouraging according to chairman Rev. W. W. Coe and William E. Hoehn, treasurer of the local campaign committee.

In its appeal to Northfield, the Salvation Army comes bearing credentials that has made it the organization for the "man who may be down, but never out." A place for those who need, not only physical and material aid, but spiritual as well, a place where mothers, children and fathers have been able to keep their families together through this period of economic strife, by the benefactions handled by unprejudiced individuals looking out for their welfare.

This is but one function of the army, but it is one of the most urgent and through the generosity of Northfield people the work will be carried on.

The backing of Northfield is assured the army in its efforts to raise the \$500.00 quota, by the list of members comprising the advisory board numbering among its members citizens in all walks of life.

In addition to the chairman and treasurer the complete committee includes Merwin D. Birdall, Rev. Mary Andrews Conner, Albert G. Moody, Elliott Speer, Mrs. W. P. Stanley, Samuel E. Walker, Miss Mira B. Wilson and A. H. Wright, M. D.

Starting next Monday, June 5, a house to house army collector will start to work in conjunction with the appeal. He will follow-up the appeal letters and visit those who received them as well as those who did not. In this way a thorough canvass of Northfield will be made and everyone will have an opportunity to do their bit for this appeal.

The collector is fully authorized to take your donation and is fully identified by a credential letter from the chairman, a regulation Salvation Army Collectors' Pass and the army uniform.

It has been learned by army officials that persons other than Salvation Army workers have been duping the friends of the army by soliciting without authorization of the army, therefore this precaution is taken to protect, not only the army but its friends.

Checks and money orders should be made payable to William F. Hoehn, Northfield National Bank, and mailed, or as stated above, may be handed to the collector when he calls.

Regardless of the amount of your gift it will be gratefully received and appreciated by the committee and the Salvation Army, so don't hesitate if you have but little to give.

The G. A. R. Woman's Relief Corps, American Legion, Spanish War Veterans, Sons of Union War Veterans and other patriotic units with the school children headed by the Orange Legion Drum Corps proceeded to Alexander Hall where the G. A. R. tablet was decorated. The parade then went to Center Cemetery for a brief exercise and returned to Town Hall to decorate the Legion tablet.

## "Dinner At Eight" At The Shubert

Boston's theatrical season gives every indication of winding up in the traditional blaze of glory with the presentation at the Shubert Theatre of "Dinner at Eight," the outstanding dramatic success of the year in New York City. The engagement which began on Monday, June 5th, will be for two weeks only and will end on Saturday night, June 10th. The play is being presented in Boston exactly as it was shown for thirty weeks at the Music Box in New York.

"Dinner at Eight" was written by George S. Kaufman, co-author of the amazingly successful and popular "Of Thee I Sing," and Edna Ferber, one of America's most distinguished novelists. Their last joint play was that delightful sentimental comedy of stage life, "The Royal Family," which was seen at the Wilbur a few seasons ago.

"Dinner at Eight" is said to be an ingenious blend of comedy and tense drama. In a series of eleven scenes it reveals the events behind a fashionable dinner party which is to be given in a Park Avenue apartment. The audience is given what might be described as "key-hole peeks" at the private lives of all the prospective guests and is privy to the curious way in which their paths cross and intertwine. At the end of the play the dinner party itself is shown.

The cast which is presenting the play at the Shubert is headed by Constance Collier and Crane Wilbur. The former is the distinguished English actress who has had one of the most glamorous careers of any player on the English-speaking stage. Mr. Wilbur is a well-known stage and screen star. Others who are importantly concerned are Ann Andrews, Judith Wood, Margaret Dale, Jane Wyatt, Charles Townbridge, Paul Harvey and Austin Fairman.

Sam H. Harris, producer of "Of Thee I Sing" and "Once in a Lifetime," is presenting the play in Boston. The utilization of a revolving stage facilitates a rapid movement of the eleven scenes.

## Closing "Gym" Exercise

A good number of parents and others attended the closing demonstration given by town boys at Mount Hermon gymnasium last Monday evening, and enjoyed their performance. There were 30 boys in the group.

Instructor Henry Crucius put them through a program consisting of half an hour of calisthenic exercises, followed by half an hour of relay races and other athletic games. Then followed basketball and the pool.

The boys seem to have enjoyed and profited by the season's work, and look forward to resumption of classes in October. Thanks are due Mount Hermon School for the use of their facilities.

## Baseball

Next week the local fans will be able to see the 1933 edition of the ball team in action twice. On Wednesday June 7, they will cross bats with the strong Colrain Town Team. This team comes here with an enviable record of wins and the local boys will have to be on their toes to chalk up a win over this team.

There will also be a game on Friday night June 9th with some suitable team as yet unannounced. The game that was scheduled for Memorial Day with Shelburne Falls will be played Wednesday, June 14th.

Don't forget the dates. Watch for the posters.

Middlebury College announces completed plans for a writers' conference to be held at Bread Loaf Inn, next summer, following the regular session of the English school.

## Local Boys Graduate At Mount Hermon

A Mount Hermon boy, Archibald Stark, son of Mr. and Mrs. Stephen A. Stark, will be valedictorian at the commencement exercises of Mount Hermon Preparatory School, June 10-12, when 101 seniors will receive their diplomas. In the same class five other local boys will be graduated: they are Tabor W. Polhemus, son of Mr. and Mrs. Lester A. Polhemus, East Northfield; Horace W. Bolton, son of Mr. and Mrs. Arthur H. Bolton, East Northfield; Robert L. Carr and William G. Carr, sons of Mr. and Mrs. George W. Carr, Northfield, and Henry G. Dillmann, son of Mr. and Mrs. Herman Dillmann, Shutesbury.

Stark was recently elected to Cum Laude, the national scholastic honor society for preparatory schools. He is editor-in-chief of the Senior year book news editor on the HERMONITE, a member of the Philomathean and Press Clubs. He will enter Haverford College next September.

Polhemus is the son of a Hermon man; his father graduated in 1908 and is now a member of the staff of the Northfield Schools. Active in sports, Polhemus has made his varsity letter in cross-country, indoor and outdoor track, and base-ball, and has played football, hockey, and basketball. He is a member of the Good Government Club. He expects to study at Amherst next year. A younger brother, S. Douglas Polhemus, is now a junior at Mount Hermon.

Dillmann is a member of the Pierian Society and has been active in cross-country.

The two Carr brothers are one of the three sets of brothers in the graduating class. They with Bolton have been day students at Mount Hermon.

## Our Ball Team Doing Good Work

The local baseball team won their third straight game last Thursday night at the Hotel Grounds from Laddies' All Stars of Turners Falls by the score of 23-2.

The Northfield boys started after their opponents in the very first inning and scored enough runs in that frame to have won the game. Paul Urgiewicz started his first game for the locals this year and had things entirely his own way. He struck out 10 of the 18 men to face him and allowed only five hits to be chalked up against him, and two of those hits were more or less "flukes."

All the local boys, with but one exception, were able to collect at least one bingle off the opposing pitcher.

## EDITORIAL

The United States Commissioner of Education William John Cooper says that to be well educated every high school graduate should be familiar with—

Bible selections.  
Homer, selections from the "Iliad" and the "Odyssey."  
Dante, "the divine comedy."  
Milton, "Paradise Lost" and possibly some selections from "Paradise Regained."  
Shakespeare, two or three plays.  
Poe, some poems and some mystery stories.  
Kipling, some of his prose writings.

Tennyson, selections.  
Mark Twain, two or three volumes.  
Some anthology of modern American literature.

Well here is a chance for the boys and girls of Northfield High to check up on their knowledge.

The public has grown weary of the old slogans to the effect that "Prices are booming! Buy now!" etc. But there's truth in those phrases at present.

Best of all, by buying now, and building and repairing now, you can do your bit in the most dramatic stage of the war against unemployment and distress and at the same time secure the greatest return on your dollar in more than a generation.

It is not prophecy to say that in your lifetime you'll never have the opportunity to get work done as cheaply as now. It's fact. The price structure is abnormally low. It is lower than even the intensity of depression justifies. As demand increases, the rate of climb will be sharply accelerated.

Remember that providing jobs is cheaper than charity—and that it's better to provide a job now than to have to contribute to charity next year.

Hitler, the upstart dictator of Germany is to endeavor to reform Masonry so as to exclude the Jew. Masonry is not atheistic it recognizes religious beliefs of all men who place their faith in God and upon this basis accepts the brotherhood of man be they Jew or Gentile. Masonry is an ancient institution and has weathered many attacks made upon it but has survived them all. Masonry in Germany will yet show itself supreme notwithstanding the utter lack of understanding of a foolish ruler, who even desires the nationalization of the church.

Northfield's Summer Conference, (especially the General Conference) were founded in 1880 by Dwight L. Moody and was a part of his educational and religious effort as much as were the two schools, the Bible Institute or his Evangelistic campaigns. It was intended that Northfield should be ever a mighty center of religious thought and activity and that from here mighty impulses and influence would radiate to all parts of the world. If the ideal has failed it is because of the shortcomings of men who have failed to hold high the standards which he created or in the breakdown of a cohesive arrangement of who best could serve and best agree. Perhaps in the people themselves is a responsibility that has been evaded and who have failed themselves to "carry-on" as triumphantly as in the former years.

May be, no one can yet foretell, but that Northfield may again take unto itself the "old time fervor" and lead again in the march of religious progress in a new and better day—perhaps in a new and better way.

### THE FACTS OF LIFE

The daylight moves from east to west.  
And water runs downhill;  
And two times two is four by test,  
And nought from nought is nil;  
A circle's round, the earth's a ball,  
Twelve months make up a year;  
A vacuum has no air at all—  
And you're my dearest dear.

A square has equilateral sides,  
And parallels don't meet;  
The ocean rises and falls in tides,  
And steel expands with heat.  
The force of gravitation acts  
According to the mass.  
(These all are scientific facts)—  
And you're my darling lass!

Planets and suns revolve in space;  
The housefly has six legs;  
Of eyes the earthworms has no trace.

And chickens hatch from eggs,

## Obituary

### MRS. ELLA MOORE LAZELLE

Mrs. Ella Moore Lazelle, who passed her 86th birthday a month ago, passed away at her home on Highland Avenue, after a very short illness, on Sunday afternoon, May 28, at 3:15 P. M.

She was the daughter of Ephram and Martha Moore of Dover, Vermont, where she was born on April 29th, 1847. In 1886 she was married to Ira Curtis Lazelle of Dover, Vermont.

During the past 35 years she has been a resident of Northfield.

She was a Charter member and first president of the Northfield chapter of the Women's Relief Corps. For many years she was the Installing Officer of various chapters, as well as a delegate to many conventions. Since coming to Northfield she has been actively connected with the Trinitarian Congregational Church and its various societies. She was especially interested in the work of the Women's Christian Temperance Union and for many years served as the president of the local organization. She was a member of the Ladies' Sewing Society of the church and one of its most enthusiastic supporters. She was well loved by all in the community and her loss is grieved by all her friends. She was one of the oldest women in town.

She leaves one son, Mr. Lawrence H. Lazelle, a grand daughter, Mrs. Russell L. Durgin of Tokyo Japan, three great grandchildren, Lawrence Lazelle Durgin, Helen Margaret Durgin, Russell Franklin Durgin, and several nieces and nephews.

The funeral service was held at the Trinitarian Congregational Church on Wednesday at 2:30 P. M. The pastor, Rev. W. Stanley Carne was assisted by Rev. W. W. Coe in the service. Rock of Ages, and In The Sweet Bye and Bye her two favorite songs, were sung by Mr. and Mrs. Philip Porter, and Misses Dorothy Pearson and Sophia Seavey.

The interment was in the Center Cemetery of Northfield.

### 'T WAS A GREAT SHOW

(Continued from Page 1)

feared that some of the episodes drew tears. While humor that caused smiles and laughter was not absent, the prevailing tone was respectful and sentimental. It was not mere acting in many cases. It was living over again in the dresses and accessories used by their grandmothers. Northfield is fortunate to possess so many beautiful old dresses and other objects which friends are willing to use or loan for occasions like this. They mean more than rented articles. Credit must be given to Mrs. Marvel Schaffner of New York for the promptness and smoothness of the performance. Mrs. Schaffner not only coached the individual actors, but also arranged their entrances and exits so as to get the best effects. Her own part as the shop girl was done with the distinctness but reserve befitting the part. It was visions of bygone days connected with the antiques she had for sale, that were now personified and lived over again, that furnished the details of the plot.

The good will of the audience was captured at the start by Winona Robinson, aged 8 years, who came on in an old-style child's dress, seated herself in a small rocker, got her needle out of her reticule, and stitched away at the pattern of a sampler. Hearty applause rewarded her performance. Indeed, the audience was quick and generous with applause throughout the program.

Perhaps the most catchy episode, the one most popular with the young people, was the Godey lady. Miss Marion Kendrick acted this part to perfection, both in her declamation of her lines and in her descriptive gestures as if she had

just stepped out of the pages of the famous "Godey's Lady's Book." The Seminary girls howled at this clever impersonation of a society miss of last century.

Two scenes of unusual delicacy on a public stage were done by Mrs. Edward Frary and Mrs. C. C. Stockbridge, elderly ladies both with snow-white hair. Mrs. Frary impersonated a pathetic old lady in love with her old arm chair, which she sighed to think of passing to some casual purchaser. Mrs. Stockbridge, robed in the latest thing in gowns and carrying a lighted candle, was a striking figure as she wound the 24-hour clock and spoke her lines before retiring to rest.

The pioneer mother (Mrs. Martin E. Vance) awakened deep feeling, even tears, by the toll and pathos expressed in her lines and actions. A real pioneer mother from Oklahoma who happened to be in the audience was so affected that she asked for a copy of the lines.

Space permits only brief mention of other episodes. Miss Arline Prevost was a Puritan maid with a spinning wheel. Mrs. Merwin D. Birdall was a mother who tucked her little one into the wooden cradle and voiced her maternal dreams and desires as she rocked. Mrs. W. G. Webber sailed on to the stage as a lady of fashion of the Victorian era, wearing a gorgeous Paisley shawl which she extolled in well recited lines. Miss Prudence Moore revived the china dog fad.

A colonial tea party was a spectacular group. Mrs. C. C. Conner was hostess, and her guests included Mrs. Joseph W. Field, Mrs. Anna Freeman, Mrs. Fred A. Holton, Mrs. E. F. Howard, Mrs. William P. Stanley, Mrs. C. C. Stearns, and Mrs. C. H. Webster. Tom Parker and Calvin Field posed as Pompeys, colored pages and did their part nicely.

Another lively group was the quilting bee and sewing circle. Mrs. Fred S. Merrill was president, and with her on the stage were Mrs. Joseph Colton, Mrs. Russell Durgin, Mrs. Charles Hodgson, Mrs. Lawrence Lazelle, Mrs. A. H. Mattoon, and Mrs. Mary Nye. The audience had a chance to see how patchwork quilts are made on frames.

One of the daintiest scenes was that in which Mr. and Mrs. Walter Hyde impersonated a flirtatious young lady of Revolutionary days and her cavalier. Costumed to suit, they made a pleasing picture as they danced a minuet.

Another beautiful episode concluded the program. Miss Dorothy Pearson and Prof. Irving J. Lawrence appeared as lovers of a bygone day. They too were in costume. Their part ended with "Love's Old Sweet Song" sung as a duet. Prolonged applause called them back for an encore verse.

On behalf of the committee of management Mrs. A. P. Pitt wished to thank all the friends who assisted by personal effort or by the loan of antiques. The Northfield Seminary generously contributed the use of the Auditorium free of charge, while Mr. George Carr, Mr. Fred Holton and others labored freely on the appointments. Thanks are due to E. L. Hildreth and Company of Brattleboro for the gift of printed matter.

A sum of at least \$250 will be turned over to Brattleboro Hospital when unavoidable expenses are paid.

The ushers were graduate nurses: Mrs. F. Earl Lilly, Mrs. Paul Breinig, Mrs. Thomas Dollard, Mrs. Lee Howard, Miss Lee, Mrs. Clyde Mattern, Miss Ramsdell, Mrs. Joseph Ross, Miss Lydia Speakman and Mrs. Whitaker.

### Camp Booklet

There has been issued at the plant of the Northfield Printing Co. a most attractive booklet for a girls' camp at Ludlow, Vt. The camp is conducted by three women teachers in the schools of Turners Falls, Orange and Greenfield.

## Mother is "BOSS"

### MOTHER is "boss."

When her husband died, leaving her four little girls, she had to be. She had to earn their daily bread as well as bake it. Now, the girls have grown to young womanhood, but mother is still "boss." Not a tyrant—just "boss" of the household because of her competency.

When the girls were working, she and they could afford such things as the vacuum cleaner, the washing machine, the radio, the electric refrigerator. One by one these were added, under partial payment plans well within the domestic budget.

Then the budget got a series of unbalancing shocks. One girl had a substantial wage cut; another worked part time; a third lost her secretaryship when the firm went out of business.

"I guess we'll have to do without the telephone and some other things for a while," said mother, after a moment's mental arithmetic. There was no demur. What mother said, went.

"I wonder if we couldn't wait a few days," asked May, the former private secretary, inquiringly. "I registered at the secretarial school today, and gave them my telephone number in case they wanted to reach me quickly." Mother agreed.

Well, May got fifteen days' work that month through telephone calls from the school, and the telephone still stays.

"A hen that lays eggs is worth feeding," explained mother. "Besides," she added, philosophically, "it saves my feet many a weary step when I want this thing or that thing."

I suppose that I may claim to be the first Ford Dealer. I not only made cars, but sold them and frequently delivered them myself.

The "drive away" is not new; often I have driven cars from Detroit to towns in Ohio or Indiana or Michigan to make delivery.

There were no good roads in those days, and the people where I drove had never seen a motor car before.

My first really enthusiastic customers were Country Doctors. They were the first to realize the value of dependable transportation to a widely scattered practice.

Even today I occasionally hear from some of those first Ford users.

We had to teach local mechanics how to care for the cars. That is how Ford Service began, which is now found everywhere in the world.

We believed from the beginning that a sale does not complete our transaction with our customer — it creates upon us an obligation to see that our customer's car gives him service. Ford Dealers know their duty to the public in this respect.

I can say of Ford Dealers generally that they have been and are men of character and standing in their communities. Most of them have been with us many years, which indicates that we agree on basic business principles. The Company provides that the methods used to sell the Ford car are consistent with the self-respect of the Dealers who handle it.

The present Ford V-8 is the peak of our 30 years experience.

We have never made a better car. Its eight-cylinder engine is powerful and smooth running. The car is admittedly very good looking and has comfortable riding qualities. It is economical in operation because of advanced engine design and low car weight. It is the fastest, roomiest and most powerful car we have ever built.

Selected As Moderator  
Of Presbyterian Church  
Well Known Here

Rev. Dr. John McDowell of New  
 York City and very well known in  
 Northfield among the summer con-  
 ference constituency has been  
 chosen as moderator of the Pres-  
 byterian Church in America.

The new moderator of the Pres-  
 byterian church was born at Dairy,  
 Scot., September 24, 1870, the son  
 of a miner, and came to this coun-  
 try as a small boy with his parents.  
 They settled in Pennsylvania and,  
 while working as a breaker boy in  
 a Pennsylvania coal mine, young  
 McDowell lost an arm. This acci-  
 dent ended his mine work and  
 through the help of church people  
 he was sent, in 1885 to Mount  
 Hermon school at East Northfield.

Dr. McDowell worked his way  
 through Mount Hermon and be-  
 cause of his brightness, eagerness  
 and personality won the friendship  
 of Dwight L. Moody, the great  
 evangelist and founder of the  
 school. On completing his course at  
 Mount Hermon in 1890 Dr. Mc-  
 Dowell went to Princeton univer-  
 sity earning his own way and grad-  
 uating in 1894. He at once entered  
 the theological seminary at Prince-  
 ton and graduated in 1896. He re-  
 ceived his degree of doctor of di-  
 vinity from Wooster college in  
 1915 and from Princeton in 1916.

Ordained to the Presbyterian  
 ministry on his graduation from  
 the theological seminary he first  
 served as pastor at Steelton, Pa.  
 On June 2, 1897 he was married to  
 Miss Minnie M. Fowler of Stony  
 Point, N. Y. This was a Northfield  
 romance, she having been a stu-  
 dent at the Northfield seminary  
 for girls while he was at Mount  
 Hermon school for boys. Two years  
 later the young couple moved to  
 Detroit, where Dr. McDowell  
 served as pastor of the Second-  
 avenue Presbyterian church until  
 1905, when he went to the Park  
 church at Newark, N. J. In 1915  
 he left this church to become pas-  
 tor of Brown Memorial church at  
 Baltimore, Md., where he served  
 until 1919 when he was elected  
 secretary of the board of national  
 missions of the denomination. He  
 has held that position since. Dr.  
 McDowell is also secretary of the  
 commission on social and indus-  
 trial relations of the same board  
 and president of the home mis-  
 sions council. From 1917 to 1918  
 he was in Y. M. C. A. work as re-  
 ligious work director for war in-  
 dustry in the New York area. He  
 is the author of several books and  
 religious subjects.

Campaign For Funds  
For Boy Scouts

A drive to secure Franklin  
 county's share of the \$6130 fund  
 for the use of the Hampshire-  
 Franklin Council, Boy Scouts  
 opened this week under the direc-  
 tion of John W. Haigis, chairman  
 of the council finance committee,  
 assistant by Harold L. Deane, vice-  
 chairman.

Dr. A. H. Wright represents  
 Northfield on the Finance Com-  
 mittee.

The campaign is made necessary  
 by the great increase in mem-  
 bership in the Boy Scout troops of  
 both counties in the past six  
 months. The council membership  
 roll in October, 1932, showing 788  
 boys and at the present time 1351.  
 The 1933 budget is \$5,380, which  
 with a deficit of \$300 for 1932  
 makes a total of \$6,130 needed  
 this year.

The 47 troops in the council  
 are directed by one paid leader  
 and 380 volunteers who give con-  
 siderable time yearly to further  
 scout work. Albert D. Norton,  
 scout executive is the only paid  
 executive of the council an head-  
 quarters are also maintained at  
 Northampton where necessary  
 clerical work of the council is  
 transacted.

## A Dental Clinic To Be Established

Under the auspices of the Parent-Teacher Association, a dental clinic has been established for Northfield with the help of Miss Olive Long, Red Cross Secretary. It was originally planned to examine the teeth of all school children through the eighth grade, but at the suggestion of the State Dental Hygienist that the preservation of the teeth of pre-school children was of the utmost importance, those children will be included in the group to be examined, and the 7th and 8th grade pupils exempted. Mothers of pre-school children who wish their teeth examined are asked to get in touch with Mrs. Lilly to arrange for an appointment.

Dr. Richard Holton has begun the work of examining the first six grades, and is giving his time free of charge. When this preliminary work is completed, children can go to his office, on appointment, and have the recommended work done at the following extremely low rates: \$1.00 for each permanent tooth filling, 60c for each temporary tooth, and 60c for each extraction. The price for cleaning will also be 60c.

Northfield is fortunate in once more having a dental clinic for school children. Formerly money was appropriated at town meeting to finance such work, but for the last two years this has not been asked for. It is due to the interest and energy of Mrs. Birdsell, P. T. A. President, and her committee, Mrs. Clifford Bolton, Mrs. Lilly and Mrs. Donald Williams, that this valuable work is again available.

In the office of the clerk of court a suit has been filed by Ralph O. Leach of Northfield against Margaret B. Martell of Dedham to recover \$3,000 as the result of an accident in which his daughter, Norma E. Leach, was alleged to be hit by an auto of the defendant's at Northfield Farms on Aug. 14, 1932.

Olive B. Leach, guardian, also brings a suit for \$3,000 against the same defendant as a result of the injuries received by Norma E. Leach.

## Twenty Fifth Anniversary Of Wedding Observed

The beautiful large white Colonial residence of Mr. and Mrs. C. E. Leach, at the Farms, was the scene last Friday evening of a brilliant dinner tendered Mr. and Mrs. Walter Dana Bancroft of Medford, Mass., by their daughter, Miss Beryl Bancroft, in honor of their twenty-fifth wedding anniversary.

Mrs. Bancroft is well-known to many Northfield residents as the former Mary B. Leach, daughter of the late Hon. Osgood L. Leach, and Mrs. Leach. She is a charter member of Northfield Chapter, O. E. S., a graduate of Northfield Seminary with the class of 1903, and before her marriage was a popular participant in the town's social and musical activities.

Mr. and Mrs. Bancroft were married at a very quiet home ceremony, June 2, 1908, by the Rev. Charles Clarke, then pastor of the Congregational Church at Millers Falls. Following their marriage they established their residence in Cambridge, later moving to Medford where Mrs. Bancroft is now prominent in women's club work. Mr. Bancroft is affiliated with Aurora Lodge, A. F. and A. M., of Fitchburg.

Beside Mrs. Bancroft's mother, Mrs. O. L. Leach, guests present from Northfield were Mr. and Mrs. C. E. Leach and son, Mr. and Mrs. R. O. Leach, the Messrs. R. Kenneth, and Wm. B. Leach, and the Misses, Marian, Dorothy, and Norma Leach. Guests were also present from Somerville and Medford.

The Bancrofts were the recipients of many lovely gifts of silver. The dinner table was very attractive with a bride's cake as centerpiece banked with white sweet peas and pink roses, and lighted candles. Boutonnieres of white carnations, and corsages of pink roses and baby's breath, were the favors. Mrs. Bancroft received a bridal bouquet of twenty-five white carnations.

The table was set with the same linen damask cloth and napkins which were used for the wedding breakfast 25 years ago.

## Principal Bryant Resigns At Powers Institute

Father Rudzik. Miss Victoria Kushi was bridesmaid and the best man was Charles Scoble brother of the groom.

The bride wore white satin with a net veil, caught with orange blossoms. She carried roses, Miss Kushi wore pink organdie with matching accessories and carried ewer and bowl.

A wedding breakfast was held at the groom's home. The couple will live at Northfield after an announced wedding trip.

## Well Child Clinic Held Here Success

The well child clinic which was held at town hall last week was an unqualified success and 48 small children from 38 families were given an examination.

The aim of the clinic is to teach the importance of a medical and dental examination of every baby and pre-school child by the family doctor and dentist, every year.

All defects found are referred to the family physician and dentist for correction. Prompt correction of even slight defects will save later trouble and expense.

The members of the Well Child Conference, Union who visited Northfield were: Dr. Susan Coffin, Miss Juliet Whitaker, R. N. State Nursing consultant for this district; Mrs. Eleanor McCarthy Dental Hygienist; Miss Frederica Beinert, Nutritionist. The Unit represents the Mass. Dept. of Public Health. ## Saw Indian Trails Where Capt. Beers Died

Members of the Northfield Historical Society to the number of nearly thirty made a visit to the site of Indian trails and the approximate location of the place where Captain Beers and his men from Northampton were massacred in coming to the relief of Northfield's early settlers on Wednesday afternoon. The place was along the hillside to the east of what is known as Beers' Plain on the Farms Road and through the courtesy of Mr. and Mrs. Streeter and the efforts of Mr. J. R. Colton and his daughter Priscilla a place had been prepared in the woodland for the outing and picnic lunch.

The location was carefully looked over and several gave descriptions of what here had happened and considered its historical value along with Indian lore. The great tragedy was recalled and the patience and suffering of the Northfield settlers who were forced to flee to the stockade near where the home of Mr. Morgan now stands for protection against the bloodthirsty red men.

The outing was appreciated by all who attended and much credit was due to Mr. A. P. Pitt who arranged for the affair. Northfield abounds with many historical places which are now beginning to be understood and appreciated.

## EDITORIAL

At the national conference just held in Swampscott, Mass., members of the National Association of Mutual Savings Banks not only affirmed their confidence, but supplied definite reasons for their belief in an improved outlook for business in the country in the immediate future. People realize today that a savings deposit in a bank is a sure and certain factor toward good credit and stability. Many of our Northfield citizens can count upon a good balance in savings accounts in various banks and the last published report of the Northfield National Bank shows a steady increase in savings deposits here. Safety of one's money in a bank is far more important than an income or interest which can not be justified.

Northfield will vote on June 18 as to question of local option in addition to the state referendum on the repeal of the eighteenth amendment.

For many years on the question of local license the town has voted against and sentiment has been strong in favor of prohibition. Many minds are changing their view points these days and it would not be surprising if the vote cast next Tuesday would show a changed result. However the battle will be fought at the polls and wet or dry Northfield must accept the decision in its future conduct.

### Flag Day June 14

#### TRIBUTE TO THE FLAG

I have seen the glories of art and architecture and of river and mountain. I have seen the sunset on the Jungfrau and, the moon rise over Mont Blanc. But the fairest vision on which these eyes ever rested was the flag of my country in a foreign port. Beautiful as a flower to those who love it, terrible as a meteor to those who hate it, it is the symbol of the power and the glory and the honor of fifty millions of Americans.

### Mrs. David O. Cowles Summer Resident Dies

Hazel Wright Cowles, wife of Rev. David Otis Cowles, pastor of the Simpson Methodist Episcopal Church of Perth Amboy New Jersey died at her home there on Friday May 19th after a long illness during which time she bore her sufferings with much fortitude and patience. She with her husband and family have been residents during the summer in the Pine Grove section of Rustic Ridge for the past eighteen years and had purchased about fourteen years ago the cottage used formerly by Fleming H. Revell. Mrs. Cowles was of a kindly disposition and endeared herself to all who knew her. She was loved and honored and had many friends.

Mrs. Cowles was born at Bridge-ton, Canada, the daughter of the Rev. and Mrs. Fred H. Wright, of the Nova Scotia conference of the Methodist Church. She received her early education in the schools of Canada, transferring in the middle of her college term from Mount Allison University to Barnard College, New York, from which she was graduated with the degree of a bachelor of arts in 1911.

On June 12, 1912, she was married to the Rev. David Otis Cowles, of the Newark Conference of the Methodist Church. She leaves her husband and three daughters, Marjorie, a junior at American University; Helen, a junior in the Perth Amboy High School, and Kathleen, eleven years; also a mother, Mrs. F. H. Wright, and three brothers, Fred D. Wright, a member of the faculty of Pratt Institute, Brooklyn; Rev. Dr. Charles W. Wright, of Englewood, and Cecil Rexford Wright, of Frenchtown, N. J.

Northfield friends, especially those among the summer residents will learn with deep regret of her death and hasten to extend their heartfelt sympathy to husband and family.

#### CARD OF THANKS

Mr. and Mrs. Lawrence Lazelle and daughter wish to extend their sincere gratitude to the many friends for their loving sympathy and help at this time of our bereavement for our dear Mother and Grandmother.

### OUR BORDER LINE

Three thousand miles of border line—nor fort nor armed host  
On all this frontier neighborhood, from east to western coast;  
A spectacle to conjure with—a thought to stir the blood!  
A living proof to all the world of faith in brotherhood.  
Three thousand miles of border line—nor has a century  
Seen ought along this common course but peace and harmony.  
O nations bound in brotherhood!  
O faith in fellow-man!  
What better way on earth to dwell than this God-given plan?  
Three thousand miles of border line! One hundred years of peace!  
In all the page of history what parallel to this?  
God speed that surely dawning day—that coming hour divine  
When all the nations of the earth shall boast such border line!

ANON.

### TO OUR NEW PILOT

O Pilot, in this dim, distressful day  
Called to the helm, let nothing you dismay!  
The Ship of State is sound, though careless hands  
Have let her drift too near the fatal sands.  
Of Folly Bank. But you know how to steer!  
"Wear ship," and find a channel safe and clear.  
Try no wild ways where boats of old were wrecked;  
Promise no miracles that fools expect;  
But with clear eyes and hands as firm as steel  
Guide the great vessel of the commonweal.  
Accept the help of every honest man,  
Not asking what his party or his clan,  
But send below the selfish, sordid few  
Who gambled gayly while the storm-clouds grew.  
Protect the rights and savings of the poor;  
Make honor bright and industry secure;  
Nor from your fearless mind let slip  
The navy's watchword: For the Good of the Ship!

By Henry van Dyke.

### Peg O' My Heart

Next Monday, Tuesday and Wednesday the movie "Peg O' My Heart" will be shown at the Latchie Theatre in Brattleboro and since it is an "accepted" production a large number of people will want to see it, especially those who have witnessed the stage production in earlier years. Miss Marion Davies plays the leading role formerly assumed by Laurette Taylor though her rendition is personal and individual.

Michael, the dog in the film, captures honors all his own. He is well worth watching for. The talking picture version of the play that has been acclaimed in the theatre for more than twenty years has a freshness and sparkle all its own. There is not a lagging moment or a flaw in the simple clarity of its sweet romance. It is just the kind of picture people want to see these hectic and troubled days.

### Seating Restricted

Owing to the limitations of the seating capacity in the chapel at Mount Hermon and to the fact that visitors and relatives of students, some of whom have come a considerable distance, have not been able to find seats at the Commencement exercises and Baccalaureate service, it has been decided to issue tickets for admission to these two services, and to allow admission to the services only to the extent of the seating capacity of the building.

A limited number of tickets will be given to residents and visitors in Northfield on application to the office at Holman Hall.

Greenfield borrowed money needed in anticipation of taxes at the rate of 3.85 per cent. The loan was secured from the Second National Bank of Boston.

## Local Team Wins

The Northfield Ball Team won a hard fought ball game from the Colrain Town Team last Wednesday by the score of 7 to 5.

The visitors scored two runs in the second but the local boys retaliated with two in the third on singles by Glasier and Kersavage and a triple by Williams. The visitors scored again in the sixth and made two more in the seventh. Not to be out done the local boys started right in their half of the seventh and scored four for themselves which would have been enough to win but so as not to take any chances they pushed another tally across the plate in the eighth.

"Bob" Shearer started his first game for the locals and pitched good ball in the seven innings he pitched. "Stan" Bistrek took up the assignment for the last two innings and his fast ball held the visitors scoreless in the last two frames. King, of the Colrain Team also pitched a strong game but he tired a little toward the end of the contest and his four free tickets helped to cause his downfall.

### From State Tax Bill Northfield's Share

If the present proposed tax law passed favorably by the Committee on Ways and Means should become a law when voted upon by the State Legislature, Northfield would receive the sum of \$4,538 which figure is based upon our welfare expenditures. The whole of Franklin County would receive the sum of \$353,407 from the revenue secured in the new tax bill. The returns are based upon the increase in cost of welfare work from 1929 to 1930.

### WOMEN'S CONTRIBUTION TO THE MOTOR CAR

There is some doubt that people care to hear very much about what goes on under the hoods of their cars.

The driver knows that "driving qualities" are not accidental; they are put there. How the manufacturer creates or evolves those results may not interest him. He judges entirely by the results he gets in driving.

Well, it is not essential to talk "shop"; let us talk Results.

**Smoothness.** Drive the Ford V-8 and you will find that the engine runs with surpassing smoothness, due to its design and the extra precise methods of its manufacture.

**Power.** There it is, 75 horsepower (we could say 80) at the drive-shaft for the driver's use. With less weight to pull around, the mettle of this car—its life-like response—is rather remarkable.

**Economy.** Our V-8 develops more power on a gallon of gasoline than any car we have made. Mileage is partly a matter of individual driving, but under average conditions the Ford V-8 does 17 to 20 miles a gallon. Of course, car economy is not only a matter of fuel. Ford V-8 has that too, but it is also economical in the complete sense—initial cost, operation, maintenance.

**Appearance.** This is woman's contribution. The motor car must not only be useful, but also good-looking. View the Ford V-8 and you will not need our comment on its fine appearance.

**Comfort.** This also is woman's concern. In 30 years she changed the motor car from a wagon to a coach. Comfort is a quality made up of numerous ingredients. There is no comfort without a quiet, smooth-running engine. We have all the other ingredients too,—color, good taste, quality, ease, safety, roominess and convenience.

## Scouts Have Hike

A new hiking plan has been started by the Boy Scout Troop of town and calls for an organized hike each month. If a Scout wishes to qualify for the hiking honors, he must attend every official hike for 12 months. That means that he must go on a hike in each month of the year so that he will become accustomed to the changes that take place during the different seasons of the year and be better prepared to take care of himself at all times. A special award is given.

The first hike was held last Sunday with Hike-master Joseph Kasandri in charge. Scoutmaster Lewis Wood gave special instruction during the rest periods.

The hike was to the Deserter Village. Much of the time was spent in examining the ruins of the village and exploring the surrounding territory. Those attending the hike were: Roman and Karol Mankowsky, John Lematowicz, John Hurley, Leslie Purvis, Paul and Ronald Askren, Arden French, Charles Hoelzer, Hike-master Joseph Kasandri, and Scoutmaster Lewis Wood.

## The Scout Rally

Sixteen Boy Scouts from Northfield took part in the Scout Rally which was held at Greenfield last week. Fifteen boys and Scoutmaster Lewis Wood camped at Franklin Park, Friday and Saturday nights. Upon arriving at the grounds on Friday the boys had to get their camp made and then they were free for the rest of the evening until taps.

Saturday morning they were up early and after a few duties had freedom until the parade started at 1.15 from the Fair Grounds. Northfield Troop was fourth in the line. There were about 800 Scouts in the parade. After the parade there were contests and demonstrations in front of the Grand Stand. Our Troop won the String Burning Contest. That means that we were the first ones to build a fire using only a small piece of wood and two matches which were furnished by the officials, and burn a piece of rope which was fastened between two stakes and 30 inches from the ground. Once the fire was lighted it could not be touched. The rope had to be burned entirely off so that it was in two pieces. This was the only contest that our Troop entered.

We also put on an exhibition of Pyramid Building which was remarkably well done and the applause from the audience proved that they liked the way the boys performed. Many fine compliments were given the boys at the completion of the program. The members of the Pyramid Building team are: Joseph Kasandri, John Lematowicz, John Hurley, Raymond Kervian, Ralph Kervian, Leslie Purvis, Eben Jones, Robert Washer, Ellsworth Cota, Philip Mann, Crawford Mann, Charles Krause, James Krause, and Lawrence Glazier.

On Saturday evening all of our Troop went to the movies and saw the picture, "The Eagle and the Hawk."

We broke camp Sunday morning in time to reach Northfield in time for church. A good number attended the Memorial Service at the North Church in keeping with our custom.

The Scouts that attended the Rally were: Robert Washer, Eben Jones, Joseph Kasandri, Leslie Purvis, Raymond Kervian, John Lematowicz, Ellsworth Cota, Lawrence Glazier, Philip Mann Jr., Crawford Mann, George Butynski, James Krause, Charles Krause, Charles Leach, Jr., Harold Randall and Ralph Kervian.

Scout Joseph Kasandri and Raymond Kervian served as assistants to Scoutmaster Lewis Wood who was in charge of the group.
